F.NO. 25/CUS/EDI/IGST/2017

DATED: 15th December 2017

ADVISORY REGARDING PENDING IGST REFUNDS

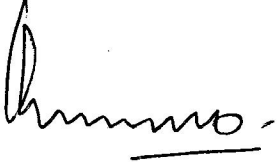

Attention of trade / exporters is invited towards pending IGST refunds. On scrutiny of data available with this office it has been seen that on an average only one third of the exporters have filed their GST Returns for IGST refunds. It is noticed that out of the one third, majority have committed errors like mentioning wrong invoice number or amount of IGST not matching with Shipping Bill/ invalid Shipping Bill details/ incorrect nature of cargo i.e. C (containerized) for ICD to Air trans-shipment instead of P (packets) and invalid PFMS Bank account details.

It is also noticed that in most of these cases of IGST refunds the Gateway EGMs have not been filed electronically by the shipping line/ airline concerned.

In view of the above the exporters are requested to rectify the above mentioned errors in their GST Returns and the custodians are requested to get the supplementary EGMs filed online by the Shipping Line/ Airline. The details of the errors are being mailed to the individual exporters.

In case of any difficulty faced in this regard concerned Assistant/ Deputy Commissioner in-charge of the ICD/ Air Cargo Pune may be contacted on the following numbers/ emails:-
